2005 Fall Newsletter

From Your President...

Dear Friends:

Fall is upon us -- South Pasadena Beautiful, Inc. continues to be an active, viable, non-profit organization in our wonderful city. We are successful because of your great support.

Our big project of the past year was the redesign and replanting of the Irving Rector Memorial Garden in the patio of the City Hall. Perennials of a lovely variety of colors were planted in the garden.

The 35th Annual Garden Tour (with four homes on Edgewood) was attended by over seven hundred visitors. Many people also dropped by the Plant Swap at Eddy Park. The Annual Meeting recognized our Golden Arrow Awards property owners and featured speaker David Judson of Judson Stained Glass Studio.

We look forward to a fantastic new year. South Pasadena Beautiful would not be successful without your support through membership and donations. Please call me at 323-258-7393 if you have any suggestions for Golden Arrow Awards for this year. Together we are making a positive impact on our great city. — Lela Bissner

Garden Tour

Please reserve April 23 for attending next year's Garden Tour and Plant Swap. We look forward to bringing another great afternoon of special gardens to the South Pasadenians and other interested visitors. Details of the event will be published in our spring newsletter.
